Before Next Tuesday…

I can download a lecture demo module and put it in a directory/folder.

I can navigate to that directory/folder.

I can run and edit that demo file.

I can create a .py file and put stuff in it.

I have completed Lab 1.

I have reviewed Lectures 1,2, and 3.

I check for Announcements on the Course Website.

I buy Doritos and watch the Superbowl.

I have spent an hour on Lab 2.

I have spent two hours on Assignment 1.
