Assignment 1: Experience Amazon Mechanical Turk

Due: Thursday, 15 September 2016

The goal of this assignment is to gain familiarity with Amazon Mechanical Turk. By now you should have signed up for an MTurk account.

1. Complete at least 25 HITs. Try a range of HITs, rather than just doing 10 copies of the same task.
   Submit answers to the following questions:
   - How many HITs did you do?
   - How much money did you make?
   - How much time did you spend?
   - From your experience do you think it is possible to make a reasonable wage as an AMT worker?
2. Create at least 1 HIT requesting work from at least 5 workers.
   Submit answers to the following questions:
   - How many HITs did you create?
   - How many workers did you ask for?
   - How long did it take to get your first result?
   - How long did it take to get your last result?
