9/10/03: Office Hours

Office Hours Schedule
Office hours for the semester will be held every week at the times given in the table below. You may also meet with any of the course staff via appointment outside of their office hours. Scheduling appointments is best done via e-mail, and we request at least 24-hour advance scheduling.

Monday	2:30 - 3:30	William Lin	328B Upson Hall
Tuesday	10:00 - 11:00	Amy Gale	423 Rhodes Hall
	2:00 - 3:00	Amanda Holland-Minkley	403 Rhodes Hall
Wednesday	1:30 - 2:30	Amanda Holland-Minkley	403 Rhodes Hall
Thursday	1:30 - 2:30	Shannon McGrath	328B Upson Hall
Friday	11:00 - 12:00	Amy Gale	423 Rhodes Hall

You are encouraged to use office hours not only to ask questions about specific homework problems, but as a resource for getting help with course concepts that you may be struggling with *before* a homework on that topic has been distributed. In the past, students have found that time spent clarifying lecture content has been more useful in the long run, with respect to success on future homeworks and exams. That is not to say, of course, that the course staff will not be happy to answer questions about homework problem meanings and strategies as well.
