

## CS 2800 Regrade Request Form

### Instructions:

- 1) Print and fill out this form
- 2) Take it to office hours, and get a TA to sign and approve the regrade request for each problem you would like regraded.
- 3) If there is a totaling error, or a difference between the marks on your hardcopy and on CMS, tick the appropriate box. (You don't need a signature for this.)
- 4) Staple this page to the front of the homework you would like regraded, and hand it in together with the next homework (in the pile for regrades)
