

CS 3110 Fall 2018: The One-Page Summary

Course website:

- <https://www.cs.cornell.edu/courses/cs3110/2018fa/>
- All materials posted there: syllabus, readings, assignments, etc.

Lectures: TR 10:10-11:00 am

- Attendance measured by iClicker
- Please do not use laptops/tablets/phones in the front center seating area
- Readings linked for each lecture are the primary content of the course; slides are just a summary

Recitations: mostly MW

- Attendance measured by TAs; to get credit must attend your registered section
- TR sections are effectively MW delayed one day
- Laptops encouraged for working problems

Consulting hours:

- Start this Sunday
- Mon-Thu 4:30-9:30 pm Rhodes 405 (+Rhodes 402 on Tue/Wed)
- Sun 12:30-9:30 pm Rhodes 405

Professor & Grad TA office hours: TBA on website

Communication:

- Your primary point of contact is your recitation TA
- Piazza: private posts disabled; primary purpose is peer assistance
- Email to professor: face-to-face communication always preferred over digital; please reserve email for serious matters that you feel unable to bring to your TA

Your TODO list before Monday:

1. Read material linked on website for today: textbook chapter, syllabus, etc.
2. Buy an iClicker
3. Install OCaml: follow instructions linked on website; special consulting hours for installation help: this Friday 12:30-4:30 pm, this Sunday 12:30-9:30 pm, both in Rhodes 405
