Press SPACE to re-center the camera on Oob

Press P to pause the game.

Press R to reset the level.

How to Grow

Staying on a planet he
makes Oob gain mass.

How to Shrink

Staying on a Sun
makes Oob lose mass.

Max Size

When Oob is full
can't gai... re mass.

How to Win

Oob wins when it absorbs and destroys every command station in the level. Stay on the station to make it shrink. When the station shrinks to a certain size, it explodes.

Gameplay

Save the Universe!

Warring humanoids have left only destruction and despair in their wake.

Armed with nothing but immense blobbiness, Oob's only option is to absorb the humanoid's command stations to restore peace to the universe.

Controls

Launch Oob through space, jumping from planet to planet by left-clicking in any direction.

click
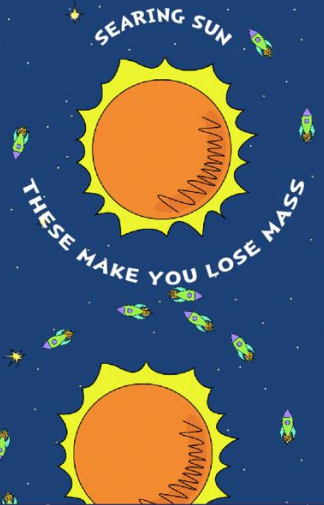

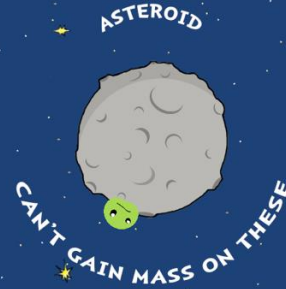

Click again mid-jump to change directions,

click

But be careful, you lose mass for every click while not on a planet!
