

GAMEPLAY AND CONTROLS

This page covers the default controls. There are alternate control options in Settings.

Movement

Move around the map using WASD.

Switching Color Modes

Use J, K, and L to switch color modes.

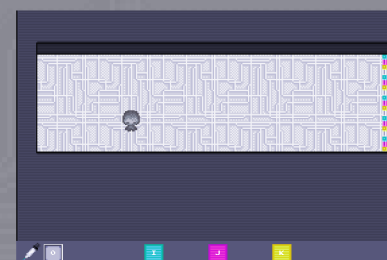

Color Code Injections

Color code injections allow you to “paint” objects different colors. Toggle painting mode by holding the shift key, followed by the corresponding color key.

You obtain paint by killing Garbage Collectors. The amount of paint you have left can be found in the lower left corner of the game screen by the dropper icon.

Mini-Map

To pull up the mini-map in the bottom right corner of the screen, press TAB.
