

Early Admission Instructions  
Master of Engineering Degree Program

The Early Admission Option allows Cornell undergraduate students to begin work on a M.Eng. degree prior to completion of the undergraduate degree. To apply for Early Admission, the student must meet the qualifications and submit the required documentations to the appropriate Master of Engineering Field Office.

**Qualifications:**

1. Have between one and eight credits remaining for completion of the undergraduate degree
2. Have a minimum Cornell undergraduate cumulative GPA of 2.7 at the time of petition

**Required Documentation:**

- A completed Early Admission Petition and Course Record Form (printed on the reverse side) signed by both your undergraduate advisor and your undergraduate college registrar
- A completed M.Eng. application, including a Statement of Purpose and Letter of Recommendation forms (if required by the field office)
- A copy of your record card with GPA information (available from the Engineering Registrar in 158 Olin Hall)
- The application fee (check payable to Cornell University)

**Arts & Science Students:**

Arts & Science Students must arrange to meet with the Associate Dean in the College of Arts & Science to discuss their intent to early admit in the M. Eng. Program. Admission to the M. Eng. Program requires the Associate Dean's signature on the Early Admission Petition and Course Record Form.
