

Master's in Computer Science for PhD Students in Other Fields Application and Approval Form

This form serves as both an *application form* and a *final approval form* for the Special Master's degree in Computer Science for PhD candidates in Mathematics, Applied Mathematics, and Information Science. [Click here](#) for information on eligibility and requirements.

You must apply to the Graduate School for this degree. To apply, fill out the **Application** part of this form, have it signed by the appropriate parties, and submit it to the Computer Science Graduate Office, Upson Hall. That office will forward it to the Graduate School on your behalf. You will be informed when your application is approved. The application should be submitted at the time of the A-exam.

After all requirements have been completed, have the appropriate parties sign the **Approval** part of this form and submit it to the Computer Science Graduate Office. That office will forward it to the Graduate School on your behalf. You will be informed by the Graduate School regarding the conferral of the degree.

Application Form

Student's Name: _____

CS Special Committee Member's Name: _____

Proposed courses in fulfillment of the requirements for the special master's degree:

Approvals:

CS Special Committee Member's Signature: _____

Special Committee Chair's Signature: _____

Final Approval Form

Student Name: _____

CS special committee member's Name: _____

Courses and grades taken in fulfillment of the requirements for the special master's degree:

Approvals:

CS Special Committee Member's Signature: _____

Special Committee Chair's Signature: _____

CS DGS Signature: _____ *Date:* _____

Student: Return the completed form to the
Computer Science Graduate Office, 322
Upton Hall

DGS: After approval, send the completed
form to the Degree Office, Caldwell Hall
