  - No-Fee apartment rentals: [Related Properties](#) and [Naked Apartments](#) offer properties with no fee payment to a real estate broker. Check for fees when browsing and selecting listings on these and other apartment listings' sites.
  - Unfurnished apartment rentals are available through companies who own and manage entire buildings, through their leasing offices, or through brokers/real estate agents who handle private apartments. The latter charge a hefty fee for their service.
- Consider the commute to the Cornell Tech campus when choosing a place to live.
  - Potential areas to consider for more reasonably priced options:
    - Long Island City
    - Queens (especially anywhere on the F line)
