BASIC Visual Basic C C++ Pascal Other (specify): _____.
4. How much (if any) experience do you have with CodeWarrior (in any language)?
None Used it once or twice Developed projects Expert
Version used: _____.

(continued on back)

Assignment Return Policy: If I do not attach a yellow cover sheet to my programs requesting that they be kept confidential, I understand that they may be made available for return on the tables in Carpenter.

Signature:

Complete either (A) **or** (B). If you ignore these directions and complete both, (B) takes precedence.

(A) I consent to the use of my Student ID number for the purpose of posting of grades for CS 100 for the Summer 2001 semester, thereby waiving my rights in this regard under the Family Educational Rights and Privacy Act of 1974. I understand that such consent is not required by the University and I affirm that it is in all respects freely and voluntarily given. I understand that this waiver will be retained by the instructor in charge of the course for a period of one year following its expiration.

Signature:

(B) I prefer that you use the following 5-digit number instead of my Student ID when posting grades:

--	--	--	--	--

Signature:

Academic Integrity: I have read and understood the Cornell University Academic Integrity Policy, available at <http://www.cornell.edu/Academic/AIC.html>, and the Computer Science addendum (<http://www.cs.cornell.edu/ugrad/AcadInteg.html>).
