

Interested in Computer Science?
Wondering what you can do as a
Computer Science major?

Then join us for the

Computer Science Coffeehouse!

Wednesday, April 15th

4:30-5:30pm

Café Lounge, Carol Tatkon Center

Drop in any time during the Coffeehouse to
chat with Professors David Gries,
Lillian Lee, and Daisy Fan or upper-level
students about the Computer Science major,
which courses to take, and career options as
a Computer Science major!

Free resources, handouts, & refreshments will be available.
