

CS214 Advanced UNIX

Due: February 28

Questionnaire

Please take some time to fill in information about yourself. I need this information in order to create accounts. If you cannot give me the questionnaire in class, please send your answers by email to petride@cs.cornell.edu, with the subject **cs214 info**.

1. Name:
2. Cornell Net Id:
3. Major:
4. Do you plan to enroll in CS214 for credit (Y/N)?
5. Reason you are interested in this class:
6. Optional: describe one or two problems that you are interested in solving and hope that UNIX shell scripting, or Perl scripting, would be useful. You can also post your problem on the newsgroup. I will then select one or two problems that seem to interest some of you, or that are related to problems you want to solve, and we will work on them in one of the assignments.
