

# Information Science Undergraduate Program OPEN HOUSE

*Join us for our first gathering of the new year!*

INFORMATION  
SCIENCE

**Wednesday, February 11, 2004**  
**3:30—5:30 pm**  
**301 College Avenue**

Come in from the cold and enjoy hot tea,  
cookies, and cider while you.....

- Learn about the NEW Information Science majors in Arts & Sciences, CALS and Engineering.
- Learn about innovative research in IS.
- Meet other students, faculty, and staff in Information Science.
- Talk to people with similar interests....
- And have your questions answered about the program.
