CS6740/INFO 6300: Advanced Language Technologies, Spring 2010 4/15/10: Lecture handout

1. A context-free grammar.

1(b) A parse of the sentence "police put barricades around upson"

1(c) An alternate notation (in which we often omit pairs of brackets that aren't of immediate interest):

[Police [[put] $_V$ [barricades] $_{NP}$ [around Upson] $_{PrP}$] $_{VP}$
