9. Do you have any other comments to add to your evaluation?

Please keep your comments constructive and professional, abiding by the Principles of Community

- Renee is knowledgeable with respect to the course material, and she is courteous when interacting with students. Renee offers clear explanation of the proof she presents in class, and she welcomes questions from students and answers them well. Renee comes to discussion sections well-prepared and organized. She presents interesting applications and consequences that follow from the main results taught in class. Renee also offers helpful guidelines on pros and cons of each of the proving methods. Her discussion session is a great supplement/resource for MATH 109! Thank you to Renee for leading the discussion sessions.
- She's a great TA I probably would've failed without her.
- Thank you. Your comment on Piazza was inspiring!
